OFFICIAL NOTICE

Over recent years, during the Halloween period, there has been an increase in the number of incidents that have involved local youths throwing eggs at houses, shops and pedestrians. This behaviour is unacceptable and can cause a great deal of mess, inconvenience and annoyance to the recipients of such attacks.

As in previous years Police Scotland will deal robustly with those individuals who choose to take part in such activities.

STUDENT SUPPORT REVIEW IN SCHOOL TUESDAY TO THURSDAY THIS WEEK

Next week there will be a number of visitors including review staff and parent/carers in school undertaking a review of all aspects of our pupil support services – Guidance, Behaviour Support (TLC) and Support for Learning. Senior students will support this review as part of either the review team or as school guides for reviewers. Your school captains Andrea and Aaron will formally attend the Self Evaluation presentation on the first morning

There will be a number of you asked to attend student focus groups and there is a whole school survey that you can access through opportunities at school or via the learner link on the website. **Please make sure you take part in the survey to ensure you have a voice and tell us what you think is good and what needs development.**

Could I also respectfully ask, and following the usual 'Peni way' of treating visitors, that you are courteous and helpful to any adults in school who are part of the review.

Thanks you for supporting your school community.
