PARENT/CARER and PUPIL MULTI-SPORT DISABILITY CLUSTER CLUB

Active Schools Midlothian are piloting a new multi-sports disability club within the region and our main objective is to increase the number of opportunities for pupils within Midlothian who have a disability.

We aim to work with local community clubs to offer pathways into disability sport after taking part in these sessions.

This pilot is running at Saltersgate School as a starting point, the club facility will then move on a termly basis into several leisure centres throughout Midlothian.

Due to the complexity of the young people`s needs within the session it is a requirement for parents/carers to attend the sessions

For more information or to book please contact activeschools@midlothian.gov.uk
