Message Re: Uniform

Please note that the change to allowing PE uniform to be worn on PE days has been made in response to student voice and is to enable access to physical exercise for physical and mental health.

IT IS NOT A CASUALISATION OF UNIFORM

If you have PE you may wear an acceptable PE uniform – we prefer black and white /or blue and white for PE but you may bring in a PE uniform as well to change. There will be regular checks on the wearing of uniform and PE gear. Students who abuse the privilege could lose the right for this exemption from uniform and we will discuss it with home.

Uniform must continue to be a good standard.

NOTE:

Student can still wear PE gear and change into uniform after PE
Or come in uniform and change into PE gear if they wish.

If the standard of uniform slips or PE gear becomes an issue then I will reverse the decision to allow PE gear to be worn to school or only let students doing full PE courses from S1 to S3 to wear PE clothing to school.

We will shortly update on decisions after our parent/ carer uniform consultation

BRONZE DUKE of EDINBURGH

Could all those still in possession of kit from the last expedition please return it as soon as possible so that it can be re-issued to the next group?

If your expedition is coming up please make sure your route cards are completed by the end of this week. Could we please have a quick meeting after school this Friday to finalise your kit requirements so that it can be organised for issuing next week.

Mr Merson
