CAREERS BREAKFAST S4-S6 STUDENTS

On Wednesday 26 October, during period 1, Sandie Robb from the Royal Zoological Society of Scotland will be in to talk about how a language can help with Careers in the RZSS.

We associate the RZSS with the excellent Edinburgh Zoo but their work goes way beyond Scotland. If you are interested in hearing about where learning a language can take you please sign up via the sign-up sheet outside the Guidance Base or see Mrs Brandie and come along to Room 33 on the first day back after the holidays.

Please note - this talk will have a focus on languages. Animals and conservation are integral to the work of the RZSS so please come along if you have an interest in these areas but be prepared the focus is on how a language can help a career in this sector.

Mrs Brandie

S1/S2 FOOTBALL

Well done to our S1/S2 boys school football team who played some great football on Tuesday and defeated Beeslack HS 11-6 in a thrilling match on the astro.

Big thanks to the three volunteer coaches from Penicuik Athletic Youth Football Club who delivered training sessions at both schools and then took the teams on match day.

Senior pupils from both schools officiated the local derby which was played in good spirit but at the same time being fiercely contested.

The training sessions and event were organised by Active Schools but could not have taken place without the support of our PE department and teachers Mr Milligan and Mr Saffhill.

After the match the Penicuik team were presented with the 'Rookie Cuikie Community Football Shield'. The shield will be contested for again next month when our other S1/S2 team host Beeslack HS once again.

Well done to all involved and good luck to our other S1/2 team as they look to retain the shield after the school break.
