FOR ALL STUDENTS S1-S6

A number of issues around behaviour and attitude are starting to develop across year groups. Most students are behaving well and taking responsibility but there are small groups who are continually being disrespectful and not following our rules. We will continue to support you all post Covid but there is a clear expectation that high standards will be met by all and there has now been plenty of time for students to settle into routines.

We have full records from the past few weeks showing all categories of poor behaviour including truancy, late to school, late to classes, uniform issues and being sent out of class.

From the week beginning 25 October the SMT and all staff will be focusing on improving standards and sanctions will be enforced where appropriate. We will contact parent/carers of students who are showing poor patterns of behaviour and meet with them to enforce our standards.

There will also be a uniform blitz as we return from the break as a number of students are still flouting the uniform code agreed by the school community including parents. To balance the negative message we will be restarting praise post cards soon and will continue to look for ways to celebrate success and commitment. We are also aware that a number of things such as staggered timetables and masks are likely to change very soon allowing us to be more of a whole school community.

Thank you for your cooperation in these matters and I hope that you all have a safe and happy October break wherever you may be.
