ADDITIONAL PHYSICS SESSIONS

MISUSE OF PPE

There are increasing reports of large quantities of masks being taken from the front of the school and dumped in various locations around the building. We are currently checking CCTV to identify those who are responsible. If any student can identify/describe or knows the names of those responsible, please inform a member of staff. This is a complete waste of valuable resources that are provided to protect our school community.

LUNCHTIME IN THE PRECINCT

We have had a number of complaints from business owners about the mess being left in the Precinct after lunchtimes. I would respectfully ask that students refrain from littering in that area and put rubbish in bins or take it away with them. We will be monitoring that area in coming weeks.

Thank you

Mr Biddick

CHROMEBOOK RETURN

If you were issued with a Chromebook last session (as part of the council's device loaning system) you now need to return the device (with charger and cover) to our Support for Learning Department base as soon as possible (next to the Music classrooms).
