Can all those who have signed up for the **Bronze** award please come to my room (38) for a meeting at lunchtime on Wednesday 23 November. This is important as I need information to get you signed up for the eDofE system.

S4/5/6

At present I only have 2 people signed up for the Silver award. I need an absolute minimum of 4 people for it to run. If you are interested please get your forms in as soon as possible - see me if you have any questions.
