DUKE OF EDINBURGH

Could all those in S5 who are planning to progress to Silver please make an effort over the summer to get their Bronze Skill, Sport and Service (volunteering) signed off. This is so that when I move you up to Silver on the system it doesn't treat you as direct entrants and give you longer timescales for each of the sections.

If anyone in S3 and above is interested in starting or continuing with DofE please come and see me, there is still time to sign up.

Mr Merson

URGENT - LOCKERS

The following students had a locker in 2019/20 and are now asked to collect their belongings and return their key **immediately**. They should return keys at break/lunchtime/end of day to receive their refund.

ELTI SUMMER ACTIVITY WEEK

This will be a week-long programme filled with a variety of activities and workshops, starting on 28 June. The programme will be based at Queen Margaret University.

Participants will:

- work on a project with ELTI Tutors and QMU Students
- gain connections for work experience opportunities
- pick from many workshops to support their next steps
- have the opportunity to win prizes

The Activity Week is open to current S3 – S6 pupils who were involved in the ELTI Tutoring Programme this year, or who may be involved next year.

More details: <https://www.qmu.ac.uk/study-here/access-to-higher-education/elti-summer-activity-week/>

How to apply: Pupils should sign-up by 21 June by emailing elti@qmu.ac.uk
