BURNTOUT RECORDS

Burntout Records is our pupil run school record label and live music agency. We are hoping to get it back up and running again as it has been on pause for the last two years. We are organising a meeting TOMORROW Friday 28 October at breaktime in The Music Hub for anyone interested in getting involved. There are lots of different aspects to Burntout Records including performing, song writing, recording, social media, sound and lighting, artwork, business and other areas.

If you would like to find out more, come along to the meeting or speak to Ailsa Blott in S6 or Mr Murphy in the Music department.
