IMPORTANT NOTICE

Yesterday there was a serious fight between two students in school. It is disappointing that some students were seen to be inciting this violence and also filmed it. It would have been good if students reported such matters to staff before they start. **Violence is not tolerated in our school community**

I would remind students if we receive information they have filmed or share the video of this fight or any others it will be referred to the Police.

IMPORTANT MESSAGE FOR PUPILS WHO HAVE APPLIED FOR FA L4/5 COURSES FOR NEXT YEAR

If you have applied for a Foundation Apprenticeship in Automotive/Construction/Hospitality you have hopefully been invited for an interview as part of the application process.

Interviews will take place on Wed 1/5/24 in school.

Places are in demand so it is really important you attend your interview/s and make a good impression to give yourself the best chance of being offered a place/s.

Please see your guidance teacher who will let you know how you can find out your time and where to go for your interview.

Class teachers have been made aware of these interviews and will release you from class for your time slot.

Good luck!

We aim to work with local community clubs to offer pathways into disability sport after taking part in these sessions.

This pilot is running at Saltersgate School as a starting point, the club facility will then move on a termly basis into several leisure centres throughout Midlothian.

Due to the complexity of the young people's needs within the session it is a requirement for parents/carers to attend the sessions

For more information or to book please contact activeschools@midlothian.gov.uk

- You must not enter the building until 8:35 am. Side doors and Green seat doors will now be locked between 8-8:30 am and you must not come into the building until such time as the automatic door locks are released.

In the case of bad weather we will arrange for you to come into the school Hall to be supervised and wait for school to start.

Students found in the building will be asked to leave and the matter referred to Guidance and parent will be contacted.

- Toilets are again a concern of the Student body. A few students are spoiling these spaces for the majority. Senior staff will be vigilant on behaviour and loitering in toilets. Serious disciplinary action will be taken against vandals and serial loiterers

PLEASE report anything wrong with the toilets to a staff member immediately

PLEASE report student loitering / intimidating others/ vaping to staff – this will be anonymous

These are your toilets. This is your school. Stand up for your rights and don't let a small majority disrespect your school
