DISAPPOINTMENT

At breaktime yesterday, while on Duty, I purchased a can of juice from the BiteSite. I placed the unopen can on the table in front of me and while I was speaking to another student someone helped themselves to my can. I am extremely disappointed that one of our students would do this, it reflects badly not only on the individual but also on our school community. I hope that it was done by accident and if you did accidentally take the can of juice I would be grateful if you could return it to my desk. Many thanks.

INTERESTED IN WORKING WITH CHILDREN? WANT TO GAIN EXPERIENCE?

Volunteering Midlothian are looking for young people aged 15 - 18 who are interested in helping at an arts and crafts club with primary pupils. This takes place after school on a Thursday until 4.45 in Rosewell. If there is a wee group all going from PHS, taxis could be provided to take you there and back. See Ms Brack in TLC for more details.

ALL STUDENTS PLEASE NOTE THE FOLLOWING:

1. Uniform – you are no longer permitted to wear PE gear to school. All pupils are expected to be in full and proper uniform by Monday 30 May including a tie. Leggings, tracksuit pants, ripped jeans and hats are not permitted. Hoodies should not be worn in class and students should not have hoods up in class (unless exempted). If you cannot meet the expected uniform standard at present then parents must email the school office requesting an exemption until August 2022. There will be a uniform blitz next week to check on this and parents will be contacted if you are wearing incorrect uniform and have no note or a current exemption.
